you make waffles?

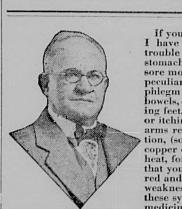

W HAT'S your favorite recipe for waffles? Once you've used an electric waffle iron, you'll find that it isn't so much how you make waffles, but how you bake them that counts. An electric waffle iron cooks them evenly, smoothly, through and through, without burning or scorching.

For as good eating as you've tasted in many a morning, try a waffle cooked in an electric iron! No grease or smoke. Just pure waffle batter cooked the ideal way.

Use plenty of syrup. Let the butter melt a bit and flow down into the tiny spaces. You'll find your waffle light and crunchy, with a luscious flavor that urges you to "have another." The current will cost you about one cent to make enough waffles for the average family.

If you have any of the following symptoms, I have the remedy no matter what your trouble has been diagnosed: Nervousness, stomach trouble, loss of weight, loss of sleep, sore mouth, pains in the back and shoulders, peculiar swimming in the head, frothy-like phiegm in throat, passing mucous from the bowels, especially after taking purgative, burning feet, brown, rough or yellow skin, burning or itching skin, rash on the hands, face and arms resembling sunburn, habitual constipation, (sometimes alternating with diarrhoea) copper or metallic taste, skin sensitive to sun heat, forgetfulness, despondency and thoughts that you might lose your mind, gums a fiery red and falling away from the teeth, general weakness with loss of energy. If you have these symptoms and have taken all kinds of medicine and still sick, I especially want you to write for my

Eliminating Guesswork

As long as you keep no record of the income and outgo of your funds, you will have to "guess" as to whether you are wisely handling your money or spending needlessly.

You eliminate guesswork when you handle funds through a Checking account in the First National Bank, for this gives you a definite record of where every dollar goes.
